

# LIBRARY READER

## Your 24/7 Connection: UNE Library Services Never Sleeps

**Did you know** that you can access Library resources any time of day or night? Whether you need an article or reference book, or maybe a place to write your paper or study, you can use the “virtual library” or the “physical library” at UNE anytime you need it.

**The UNE Virtual Library** is the collection of online resources available to you through the Library website, wherever and whenever you need it. Why Google when you can use authoritative, current info from the online library? From your computer or mobile device, start at the Library homepage [www.une.edu/library](http://www.une.edu/library) to access online databases, eBooks, and full-text journal articles. If you are not sure where to start, click into your program under “Search for Information by Major” - you’ll see a list of suggested databases that link to online articles, books and information. Once you click into an electronic resource, a login screen asks for your

**Login**

Please enter the following information:

For example, type "Jane Smith" and then press the TAB key.

Your Name:

For example, type "25232..." You must type all 14 digits of your barcode.

Barcode:

name and 14-digit barcode number (on the bottom of your UNE ID card). After logging in, you can access all the electronic resources we offer.

**The UNE Physical Library** is open 7 days/week from morning ‘til night (see posted hours on each campus - note extended hours for finals week!). When the main part of either Library closes, there is still study space and wifi available 24/7. On the Portland Campus, the **24-hour library space** is accessible by swiping your UNE ID to enter from the front entrance of the Library. On the Biddeford Campus, the **Windward Cafe**, in the lower level of the Library, is accessible by swiping your UNE ID at the side entrance facing Featherman Hall.

Students studying in the Windward Cafe lounge area.

### Do you have Board exams in your future?

#### Know about our Board review resources?

- **Medical, Pharmacy, PA:** Try Exam Master from Databases by Title. USMLE Step 1 & Step 2, PANCE, NAPLEX.
- **DH & Nursing:** Access Dental Review & NCLEX-RN online reviews in PC 24-hour space.
- **All students** - Search the Library catalog by Title - enter Board Review - find books to check out.

Have you read the one about...??? For a good laugh.....

Check out our April Fools book displays on both campuses!

### STAFF PICK

Brought to you by Laurie Mathes, UNE Circulation Coordinator (Portland)  
*Abundance: a novel of Marie Antoinette*

*Like everyone, I am born naked.* From the first sentence of *Abundance*, Marie Antoinette's life unfolds with splendor. I usually read the first paragraphs of a book to see if I enjoy the author's writing style. I devoured the first three pages before I realized I was no longer contemplating reading this historical novel, but was already immersed in it. Insightful author Naslund quickly enveloped me in the opulent world of Versailles. As the French Revolution brews outside, Marie matures and becomes a queen inside the court gates. Through extensive research, Naslund draws a fresh picture of a young woman coming of age in extraordinary circumstances - a warm, funny and courageous young lady who, to the end, never loses her grace. This story is for the queen in all of us! Follow with a viewing of Director Sophia Coppola's *Marie Antoinette*. Both book and film are available at the Library.
